

PREFACE

The Bristow Municipal Code is a codification of the general and permanent ordinances of Bristow, Oklahoma. During original codification, the ordinances were compiled, edited and indexed by Oklahoma Municipal League under the direction of the mayor and city council and has been kept current by regular supplementation by Matthew Bender & Company, Inc., its successor in interest.

This volume covers ordinances through Ordinance 90-091806, passed September 18, 2006.

In parentheses following each section, as amended, is a legislative history identifying the specific sources for the provisions of that section. This legislative history is complemented by an ordinance disposition table, following the text of the code, listing by number all ordinances, their subjects, and where they appear in the codification.

A subject-matter index, with complete cross-referencing, locates specific code provisions by individual section numbers.
